AMERICAN PHARMACY

Index Volume NS25 (1985)

Prepared by Sydney Schultz, MLS
The annual index is a single alphabetical listing of names and subjects. Numbers refer to the serial paging found with the title line at the bottom of each journal page. Pages contained in each issue are shown in the accompanying box. Books reviewed are listed by title under the entry "Book Reviews." Nonproprietary drug names are used in most cases.

Issue	Pages
January	1–80
February	81–128
March	129–208
April	209–256
May	257–328
June	329–400
July	401–456
August	457–520
September	521–584
October	585–648
November	649–712
December	713–
